### WHY IS THIS HELPFUL?

- This can significantly lower your tax liability for the year the deduction is realized
- Excess section 179 deductions can carry over to following years so it's not a one-time play
- Maximize benefits by acting now – make funds available for office expansion, staffing, marketing and more equipment
- The amount you deduct will almost always exceed your cash outlay for the year when you combine a properly structured equipment lease or Equipment Finance Agreement with a full IRS Section 179 deduction

Financing terms and condition for qualified businesses are subject to credit approval by LeasePoint Funding Group and applicable on select Cutera devices  
A one-time doc fee will be processed at funding • Approvals may require payments due at signing • Offer is available through December 31, 2024
